IMPORTANT — THESE ARE DESIGN REFERENCES

All sample values and line items are illustrative. Codex must regenerate every PDF from the actual saved shop records, preserve the logo, and verify all rows and amounts on A4 printer preview.

PRINT ACCEPTANCE STANDARD

PAGE DIMENSIONS
A4 portrait = 210 × 297 mm; A4 landscape = 297 × 210 mm.

PRINT SAFE MARGINS
At least 10 mm, increasing for printers with non-printable edges.

REPEATED HEADERS
Every table page repeats its column headers, document identity and page number.

LOGO AND BRAND
Use official Vinay Traders logo, deep navy headers, gold highlights, white background.

LONG RECORDS
Wrap long supplier/product/customer names; never clip or shrink text below legibility.

AMOUNTS
Use precise saved values, Indian rupees, two decimals where applicable, correct discounts.

NO RAW OBJECTS
Never print JSON, [object Object], missing amount dashes or broken Devanagari.

STATUS
Paid green, Due red, Partial amber; status from verified records.

TEST CASES
Generate 1, 20 and 100+ items; test multi-page, page headers and signatures.

PURCHASE DOCUMENTATION

Purchase Invoice is A4 Portrait. Purchase Register and Product/Purchase Report must be A4 Landscape. Use original company logo, supplier details, full item table, totals, status and signed footer. Never dump raw JSON. For purchase invoice attachments preserve separate uploaded supplier originals.

REFERENCE PURPOSE

Layout and style target only.

Do not hardcode illustrative sample amounts or supplier/customer details.

Apply the specified A4 orientation and verify the real output.
